

Reflections on Managing the Business

Course Duration – 2 Days

Course Cost – \$550 pp

CLF level Alignment

MMDF Alignment

Prerequisite

There are no formal pre-requisites other than a willingness to share some of your work experiences so far...both good...and not so good.

Overview

The great majority of Management and Leadership theory and practice comes from the USA...and in case you were wondering, they are not the same as Aussies. This two day workshop will explore the uniquely Australian approach to management and leadership combining sound theory and research with the practical lessons learned by those attending. It will be informative, provocative as well as entertaining!

Who should attend this course?

This course will be well suited to those who are, or aspire to be, a manager and leader and who are looking to invest in their career

Topics Covered

- ◆ The evolution of management and leadership thinking and practice.
- ◆ Understanding the contemporary business and government
- ◆ Understanding the building blocks of success – people, process, planning and persistence – from an Australian perspective
- ◆ Reflections on the work journey – highs and lows
- ◆ Shaping a management style

Reflections on Managing the Business

- ◆ Shaping a leadership style
- ◆ Building a developmental pathway

Learning Outcomes

At the conclusion of this course, participants should be able to:

- ◆ Recognise the changing nature of a modern workplace
- ◆ Begin to shape an approach to management that suits their context and people
- ◆ Recognise and build on their strengths
- ◆ Establish a personal learning pathway to continue their development.

Other Information

Even though you might have undertaken a course like this in the past it is important to revisit concepts and refresh our skills as the management thinking changes and workplaces become more complex.

Topics covered from the Middle Management Development Framework

- ◆ Reflections on Managing the Business
