

Territory Generation Enterprise Agreement Negotiations

Bulletin 17

This bulletin only applies to employees covered by the 2015 – 2018 Territory Generation Enterprise Agreement

Fair Work yet to Approve New Agreement

As reported in [Bulletin 16](#) the application for formal approval of the 2018 – 2022 Territory Generation Enterprise Agreement from the Fair Work Commission was lodged on 5 March 2019.

The approval process can take some time so my office will regularly check with the FWC on the approval process and I will keep you advised of the progress.

It has been three months since you voted for the new Agreement and for this reason, I'm issuing a determination to pay your new salary and back pay from 26 July 2018.

The other improved terms and conditions in the new 2018 – 2022 Territory Generation Enterprise Agreement will be effective seven days after FWC approve the Agreement.

You can expect to receive the new salary rates and back pay on 13 June 2019. Adjustments relating to overtime and shift penalties will be paid on 27 June 2019.

I will provide further updates about the FWC approval of the enterprise agreement in the coming weeks.
