TEACHERS ENTERPRISE AGREEMENT BULLETIN 5/2018

****This bulletin only applies to employees covered by the NTPS Teacher and Educator 2014–2017 Enterprise Agreement****

Treasurer's Budget Announcement and Current Negotiations

The NT Treasurer's recent budget announcement included a change to the NTPS Wages Policy effective from 1 October 2018. This change to the wages policy should not affect the current bargaining process as the Commissioner for Public Employment is committed to working with the Australian Education Union NT and bargaining representatives to resolve the current negotiations in a timely manner before 1 October 2018.

Status of Bargaining

Bargaining has been progressing steadily and collaboratively. We are close to putting a formal proposal for the AEU NT's consideration.

More Information

Regular Bulletins and Information Sheets on the bargaining process and proposal will be posted on the [OCPE website](#). Information on bargaining in general can be obtained at www.fairwork.gov.au or you can contact the Fair Work Commission Infoline on 1300 799 675.
