

Strategic Workforce Planning

Course Duration – 2 Days

Course Cost – \$550 pp

CLF level Alignment

MMDF Alignment

Prerequisite

There are no formal pre-requisites, but a basic understanding of recruitment, training and capacity planning will definitely be useful.

Overview

To buy, borrow or build – that is the question! This course will step you through the key steps involved in developing and implementing a strategic workforce plan. We will examine techniques for forecasting future requirements, mapping your current workforce, and then a variety of strategies that can be used to bridge the gaps.

Who should attend this course?

Whether you are working in a management role or a specialist People & Culture role, this course will help build your knowledge and understanding in how to establish strategic workforce planning practices within your agency to meet future demands.

Topics Covered

- ◆ The evolution of strategic workforce planning
- ◆ Translating business strategy into a workforce specification
- ◆ Mapping skills and segmenting your existing workforce
- ◆ Profiling transitions in and out of your existing workforce
- ◆ Forecasting future requirements
- ◆ Identifying internal and external talent pools
- ◆ Recruitment and development strategies
- ◆ Embedding sustainable workforce planning practice

Learning Outcomes

At the conclusion of this course, participants should be able to answer core business questions such as:

- ◆ How do we identify the kind of skills we might need in the future?
- ◆ How can we determine how many and what type of people we should be recruiting?
- ◆ Where are we going to find these people?
- ◆ How can we make the most of our existing workforce?
- ◆ How should we allocate our training and development budget?

Topics covered from the Middle Management Development Framework

- ◆ Strategic Workforce Planning
