## Bulletin 3

\*This bulletin only applies to employees covered by the *2015 – 2018 Territory Generation Enterprise Agreement*\*

### Log of Claims Received

As reported in [Bulletin 2](#) bargaining for a new Territory Generation enterprise agreement has commenced. At a meeting on 7 June 2018 union bargaining representatives presented their formal log of claims for a new agreement.

The bargaining parties have adopted a collaborative approach to the negotiations and have commenced discussing the unions' claims for a new agreement. This means the parties will work through these matters over the coming weeks to understand how changes to your terms and conditions may be assessed.

### Next Step

Regular weekly meetings are being scheduled to progress bargaining and you will continue to be kept informed of developments throughout the negotiations.
