

## **Territory Generation Enterprise Agreement Negotiations**

### **Bulletin 15**

*\*This bulletin only applies to employees covered by the 2015 – 2018 Territory Generation Enterprise Agreement\**

#### **Approval Process for new Agreement**

As reported in [Bulletin 14](#) the 2018 – 2022 Territory Generation Enterprise Agreement (the Agreement) was endorsed by a majority of employees who voted in the ballot.

An application for formal approval of the Agreement from the Fair Work Commission has now been lodged.

Payment of the new salary rates will be processed following approval from the Fair Work Commission. The Fair Work Commission approval process can take some time and I will keep you informed of how that progresses.

A bulletin will be issued once the Agreement is approved with details of the payment dates (including back pay) and commencement of new conditions.
