

Impact of Leadership Styles on Individual Leadership

Course Duration – 1 Day

Course Cost – \$500 pp

CLF level Alignment

MMDF Alignment

Prerequisite

Leadership styles are broader concepts that define a leader's overall approach. Participants will need to complete the **Discover Your Leadership Style questionnaire**

Overview

As a leader and manager of others, you probably recognise that there are some circumstances where you need to do a lot of hand holding and telling people exactly what to do. Maybe you are working with an inexperienced group or team that does not know how to get where you want them to go. Conversely, working with a very experienced, knowledgeable group or team requires a different approach.

Specifically, in this workshop, you will learn about different leadership styles and practice assessing situations, choosing and applying styles.

Who should attend this course?

Whether you are managing a team at work, or leading a department, your leadership style is crucial to your success. You should attend this program if you want to understand different leadership styles, their impact and how you can become a more flexible, better leader.
