<p>1. Due to the machinery of Government changes that occurred in the last quarter of 2024, staffing figures for the December 2024 reflect a single pay date (Pay 13 on 19 December 2024). Due to the significant personnel transfers that were occurring over the December quarter, there are potential discrepancies around the exact timing of staff transfers and the agency figures should be interpreted with caution.</p> <p>2. Reporting does not include board members.</p> <p>3. Results are represented as whole figures for ease of reading, with rounding performed at the last stage of calculation for maximum accuracy. Values from X.00 to X.49 are rounded down, and values from X.50 to X.99 are rounded up. Totals may not add due to rounding.</p> <p>[^] Uniformed Police and Aboriginal Areas protection Authority are administered under their own Acts, not under the <i>Public Sector Employment and Management Act 1993</i>.</p>
