

Great Team Framework

Unlocking the pattern that the best teams are built on

Course Duration – 1 Day

Course Cost – \$750 pp

CLF level Alignment

Middle Manager Development Framework Alignment

Overview

In fast paced and highly pressured workplaces, few skills are more important than the ability for teams to collaborate and work effectively. The Great Team Framework program is based on the science of human behaviour and explores both individual and team identities. Gaining an understanding of trust and open communication as some of the primary facilitators to building effective teams, the program helps you develop and articulate clear steps to effectively support one another on the pathway to becoming a high-performance team.

Who should attend this course?

All NTPS employees. This course will provide leaders practical strategies to assess the current culture and lead culture change in your team and the wider business, driving employee engagement. Through understanding your team's strengths and opportunities, determining the goals that will unite you, and how to support each other along the way.
