

NORTHERN TERRITORY PUBLIC SECTOR

DETERMINATION NO 3 OF 1999

(A DETERMINATION RELATING TO THE EDUCATIONAL QUALIFICATIONS OR OTHER REQUIREMENTS FOR APPOINTMENT, PROMOTION OR TRANSFER TO CERTAIN DESIGNATIONS IN THE NORTHERN TERRITORY PUBLIC SECTOR)

OFFICE OF THE COMMISSIONER FOR PUBLIC EMPLOYMENT
November 1999

NORTHERN TERRITORY OF AUSTRALIA

Public Sector Employment and Management Act

I, DAVID JOHN HAWKES, Commissioner for Public Employment-

- A. in pursuance of section 31 of the Public Sector Employment and Management Act and with reference to section 43 of the Interpretation Act, revoke Determinations No. 86 of 1991, No. 14 of 1992 and No. 9 of 1996; and
- B. in pursuance of section 31 of the Public Sector Employment and Management Act, determine the following:
 1. The qualifications required for appointment, promotion or transfer to an occupational group or designation within the Northern Territory Public Sector are those specified in schedule 2 opposite the occupational group or designation.
 2. Where a person does not hold the qualification specified in schedule 2 or does not comply with the conditions, if any, specified in schedule 2 for appointment, transfer, or promotion to an occupational group or designation, the approval of the Commissioner is required prior to an offer of employment being made.
 3. Where a qualification is specified in schedule 2, an original or certified copy of the qualification must be verified by the Chief Executive Officer or delegated employee prior to appointment, promotion or transfer.
 4. Where registration or membership of an organisation is the qualification specified in schedule 2, then that organisation is the sole authority for determining the eligibility for that registration or membership.
 5. Where an industrial award contains a qualification requirement, which is inconsistent with this Determination, the qualification specified in the industrial award is the qualification required for appointment, promotion or transfer.
 6. Where a notice from an institution states that the requirements for eligibility for admission to a qualification or award have been met, that notice is sufficient proof that the person has qualified for admission to that qualification or award.
 7. This Determination takes effect on 22 November 1999.

Dated this _____ day of _____, 1999.

(signed on 15th November 1999)

D J HAWKES
Commissioner for Public Employment

In this Determination, the following definitions apply.

DEFINITIONS

“Admission or eligibility for admission to a degree or diploma” means the appropriate qualifications to satisfy the tertiary institution’s requirements to award a degree or diploma.
Inserted 15 November 2004

"Australian Qualifications Framework (AQF)" means a unified system of national qualifications that link all qualifications including senior secondary school education, vocational education and training, and university education.

“Tertiary education” means both higher education (including universities) and vocational education and training (VET).
Inserted 19 January 2017

(Please note when advertising a position which requires qualifications, the qualification required needs to be clearly specified in the job description).

"designation" means a specified level or range of salaries assigned to an employee in an Agency on a scale described in an award or determined by the Commissioner.

“eligibility” means satisfying the necessary criteria.
inserted 15 November 2004

"equivalent" means:

(a) an award of an overseas educational institution which has been assessed by the National Office of Overseas Skills Recognition (NOOSR) as equivalent to the required qualification awarded by an Australian institution, which, in the opinion of the Chief Executive Officer, is appropriate to the performance of the duties; **or**

(b) a qualification and/or experience approved by the Chief Executive Officer as appropriate to the performance of the duties; **or**

(c) a qualification and/or experience approved by the Commissioner as appropriate to the performance of the duties.

"institution" means a university, a provider of Technical and Further Education (TAFE) or a training organisation registered with a State or Territory Training Authority.

"level as evaluated" means the assessment of the job under the Job Evaluation System or relevant industrial award.

"occupational group" means a description of the nature of the work performed for which a qualification is required and includes the local title of an employee who performs that work.

"qualification" means educational qualification or other requirements.
