

HR/IR Capability Workshops: Unfair Dismissal/Termination of Employment

Workshop Overview

This skill development workshop will deal broadly with the concept of termination of employment as it affects Northern Territory Public Sector (NTPS) employees; it will specifically deal with the question of unfair dismissal as it is dealt with in the Fair Work Commission. This is the most common form of a dispute over a termination of employment matter that would normally be encountered in the NTPS.

It is expected that participants will have completed pre-reading for this workshop in order to part-take in the activities scheduled.

Learning Outcomes

- Understand the options that are available to an employee whose employment with the NTPS is terminated.
- Understand the unfair dismissal provisions of the *Fair Work Act 2009* (Cth).
- Practically assess the merits of a case of unfair dismissal through the use of case studies.
